Background:

The District has two types of debt; Referendum and Debt Service Extension Base otherwise known as DSEB. DSEB is a limit on the annual debt levy a District can levy without voter authorization. The amount of DSEB was determined back in 1994 based on how much debt the District had at that time. This amount stayed the same for many years. However, in 2009 the Property Tax Extension Limitation Law was amended which allows Districts to increase their DSEB by CPI or 5%, the lower of the two.

Situation:

When the Board of Education approved the issuance of bonds in 2019, it was also discussed having a supplemental resolution to access the CPI (Consumer Price Index) increase in the DSEB (debt service extension base) in order to pay principal and interest on bonds. The District can access the CPI increase this year and going forward annually in order to fully levy for the principal and interest due on the limited bonds.

Recommendation:

The administration is recommending that the Board of Education approve the resolution authorizing a supplemental tax levy to pay the principal of and interest on outstanding limited bonds of the District as presented.

MINUTES of a regular public meeting of the Board of Education of School District Number 13, DuPage County, Illinois, held at the District Administrative Office, 164 South Euclid Avenue, Bloomingdale, Illinois, in said School District at 7:00 o'clock P.M., on the 18th day of December, 2023.
