Academic Success: Striving for Excellence

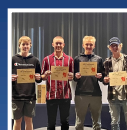

As the 2021-2022 school year began, one thing that educators across the globe identified was the diminished amount of academic stamina that many students have experienced over the course of the last two years. While students at Unity High School have shown signs of similar struggles, the academic results of Trimester I indicate high levels of resiliency and drive! Less than 7% of students

experienced a failing grade on their report card. As we look for continued growth and success, continued emphasis on curriculum content and high-level performance will remain at the center of what occurs on a daily basis. The goal is to ensure students are in the best possible position for post-secondary success. Connecting rigorous classroom instruction with real-world application will produce positive results.

EXCITING EVENTS

Check out the Unity Website

Congratulations to Harrison Zipperer and Austin Hursh for receiving All Conference honors for their 2021 soccer season. The Soccer team had a great year and Austin and Harrison were major factors in that success! 1

During the week of November 8th, the Unity FFA chapter members traveled to Stevens Point for the FFA Mission and Impact Leadership Conferences. They attended some excellent workshops and had a great experience. 2

On Wednesday, November 10th, the Unity Student Council and National Honor Society members hosted an excellent American Red Cross blood drive! 3

The Unity FFA Chapter assembled more than 275 sack lunches and delivered them to local farmers early in November while they were in field harvesting crops. The leadership and service of this activity was tremendous! 4

Have you heard? The High School Band and Choir students are heading to Florida over spring break. Check out the Flower Power fundraiser to purchase some excellent holiday gifts while supporting their endeavor! 5

"Practice like you have never won...compete like you have never lost."

Importance of Extra-Curricular Engagement

Educational research indicates that student engagement in extra-curricular activities leads to increased academic success. Unity High School offers students the opportunity to participate in some of the most successful extra-curricular activities in the state of Wisconsin. While many consider extra-curriculars to mean athletics, the scope goes well beyond sports

and student athletes. Unity High School students are able to join various incredible clubs such as FBLA, FFA, SkillsUSA, Student Council, National Honor Society, and the Migizi Club. Students also have the chance to experience success in Forensics, Quiz Bowl, and the Unity Drama Club. Overall, the aim is to provide all students an excellent chance to engage!
