Re: **Buffalo High School Building Controls Replacement**
Hallberg Project No. R17-3023.000

Mr. Heltunen,

Attached are the bid results for the Building Controls Replacement project for the Buffalo High School Facility.

As a follow-up after reviewing the bid results, we have been in contact with UHL Company regarding the project. UHL Company has indicated that they understand the project scope, will hold to their bid and are confident they can meet the specified project schedule and completion date.

As a result, we recommend ISD 877 accept the Base Bid, reject Alternate No. 1, and enter into a contract with UHL Company for complete construction as follows;

Total Base Bid	\$532,575
----------------	-----------

Sincerely,
HALLBERG ENGINEERING, INC.

Kyle R. Simonson
