## **August 2024**

# Excellence in Governance in Public Education

The key purpose of a board is to serve as a single governing body. The role represents the public interest and provides oversight for the institution of public education.

## District Governance and Policy

- Ends Policy defining what (results) is to be provided to whom (stakeholders) at what cost (budget and capital)
- Limitations Policy (unacceptable means) to attaining the results
- Monitoring Reports (data-informed analysis that describes how effectively the results have been achieved and the unacceptable means have been avoided). Monitoring Reports are tools that communicate high quality data and analysis from the administration to the board. They are based on the district's performance on VisionCards and district goals. The reports explain the performance of the district and implementation of district policy, identify emerging governance and management issues, and recommend processes/programs for refinement. Monitoring Reports are also a key element in the superintendent's annual evaluation.

## Operational Oversight

- Strategic Roadmap articulating the district's Mission (purpose), Core Values (drivers of words and actions), Vision (the desired state in the short term), Strategic Directions (focus of time and resources)
- Oversight of operational issues, challenges, and opportunities
- Partnership through board Excellence in Governance and the superintendent's Excellence in Management to address the dynamic and unpredictable realities of public education

## Board Governance Policy

- Governance policy and practices
- Structures and systems of governance, partnership, and consultation
- Board self-management and appraisal

## Superintendent Relations

- Superintendent relations policy and practices Partnership relationship and communications
- Recruitment, hiring, appraisal, retention, development, and discipline of the superintendent

## Public Engagement

- On issues of policy development
- On issues of education, public need, and critical systemic decisions
- Advocacy for public education at the local, regional, and state level
