

Connecticut State Department of Education
Addendum to Agreement for Child Nutrition Programs (ED-099)
Healthy Food Certification Statement

Section 1 – Background

Section 10-215e of the Connecticut General Statutes directs the Connecticut State Department of Education (CSDE) to develop and publish nutrition standards (hereinafter, Connecticut Nutrition Standards) for food items offered for sale to students at school separately from reimbursable meals sold as part of the National School Lunch Program and School Breakfast Program. Section 10-215f requires that participants in the National School Lunch Program, including each local and regional board of education, regional educational service center, the Connecticut Technical High School System and the governing authority for each state charter school, interdistrict magnet school and endowed academy, must certify each year in its annual application to the CSDE whether all food items made available for sale to students will meet the Connecticut Nutrition Standards. Section 10-215b further provides additional funding to National School Lunch Program participants who annually certify compliance with the Connecticut Nutrition Standards.
