

COPPELL INDEPENDENT SCHOOL DISTRICT

Date: July 28, 2026

To: Coppell ISD Board of Trustees

From: Gerry Miller, Director of Fine Arts

RE: HB 3372 Compliance

For many years, I have served as a Fine Arts clinician and Band adjudicator throughout Texas and the United States. I presently serve as the President-Elect of the Texas Music Adjudicators Association, an organization which oversees the training and placement of judges for choir, concert band, mariachi, marching band, and orchestra for the University Interscholastic League. Serving in this role, and accepting these invitations, allows me to not only make music with great students, but also to mentor young directors and advocate for music education our state. I am honored to have this opportunity, and to represent Coppell ISD at the many programs that welcome me to their campuses and districts.

All these experiences take place on the weekends or in evening clinics in the springtime. I am careful to ensure that these invitations never interfere with my duties as the Director of Fine Arts in Coppell ISD. Additionally, in reviewing my list (below), it is of note that I do not serve as a clinician for any competitive 6A programs, as I aim to ensure that Coppell HS is my sole competitive interest in the UIL 6A classification.

With the passage of HB 3372, The CISD Board of Trustees is now required to vote on whether these opportunities conflict with my job duties as the Director of Fine Arts for Coppell ISD. I am requesting that the Coppell ISD Board of Trustees, or their designee, review and approve my continued service as an adjudicator, clinician, and mentor with the following schools for the 2026-2027 school year:

**Clinician/Consultant (as of 07/28/2026)**
