 - c. November 4th we had 322 conferences
 - d. Each teacher had an average of 24.6 conferences with the most being 47
2. December 15th Staff Development
 - a. We are currently working on plans for staff.
 - b. Looking at possibly doing CPR training for Paraprofessionals and general training for teachers on classroom management strategies
3. Veteran's Day Program
 - a. The program was very successful!
 - b. The band under the direction of Katrina Andrusick and the choir under the direction of Tracy Hoffman did an amazing job.
 - c. Thank you to the custodians for their work setting up the Galovich Gym.
 - d. A special thank you to Nathan Ernst for sharing his experience in the Navy with us ending with the message "You are worth it!"
4. Special Olympics
 - a. Bryan Syrstad and Allison Anderson took the Special Olympics students and Unified Partners bowling on November 11th.

b.

5. Math Leadership Academy

- a. Our math teachers are participating in a 3 year Math Leadership Academy through Sourcewell. This program is a combination of in person training sessions at Sourcewell and in person mentorship at school. Teachers have had 2 training sessions and at least one mentorship meeting so far this year.
- b. This is in conjunction with purchasing new math curriculum.
