Item Title: Approve Measures of Academic Progress (MAP) subscription to identify math interventions in K through 9th grade and Reading interventions in grades 6-10

Description:

Measures of Academic Progress is a computer adaptive interim assessment to provide teachers with information on needed math and/or reading interventions for each student. The assessments are given at the beginning, middle and end of year to identify needed interventions and assess progress. It also provides a predictor for which level of achievement will be attained on STAAR in grades that are assessed.

Recommendation:

Approve the purchase of Measures of Academic Progress to identify student interventions in mathematics and reading to assess student progress in order to increase student achievement. Northwest Evaluation Association belongs to Choice Partners Purchasing Cooperative. 13/062DG-39

District Goal/Strategy:

Goal 2 The percent of students who perform at the Masters Grade Level standard for all grades in state mathematics exams will increase from 8% to 40% by 2022.
