State School Report Cards

Typically, the Board of Education gets to preview the State School Report Card before it is released to the public. Due to expanded testing windows and other reasons Mrs. Gabany will share, the report cards will not be shared this evening. Mrs. Gabany will also share more information she received from the ISBE regarding the report cards based on webinars in which she was a participant.

Return to Learn

During the meeting, I will brief the Board on the following topics:

- Booster shot availability for staff;

- Testing Options;
- Guidance updates from other regulatory agencies.

I will also be happy to answer any questions you may have that I did not address.
