**Subject:** Mass Dispensing Site Agreement – Wright County

**Presenter:** **Scott Thielman**

---

**SUGGESTED SCHOOL BOARD ACTION:**

Board Approval

**DESCRIPTION:**

The Buffalo-Hanover-Montrose School District has had an agreement in place with Wright County for the use of the district's facilities should the need arise for the County to immunize or provide antibiotics to Wright County residents in the event of a terrorist attack or an infectious disease outbreak. Last year, the Buffalo Community Middle School was used twice for dispensing the H1N1 vaccination.

The agreement is signed by the Superintendent. With the hiring of a new superintendent, the County is asking for a new contract to be signed.
