Operations Activity Report

February 2025

Maintenance

- In the month of January, the maintenance department received 162 work orders.
- We are still down 1 groundskeeper position. We will continue to partner with our vendor to maintain the grounds until we can get the grounds department fully staffed.
- No major damages to report from January's freezing temperatures.
- We are anticipating the Intermediate portables to arrive early spring.

Custodial

- We are down 1 custodial position. We are actively interviewing to try to get this position filled.

Safety & Security

- We are waiting on the TxSSC for final approval on the districts Emergency Operations Plan.
- Campuses have been conducting emergency drills as scheduled.
- As of February, we have passed all Intruder Detection Audits without any deficiencies.
