Subject: Transportation Bus Purchase

Action

PURPOSE OF RECOMMENDATION:

This item requests approval for the purchase of a used multipurpose bus in a proposed amount not to exceed \$93,647.75.

BACKGROUND INFORMATION:

To enhance Millsap ISD's fleet dependability, it is recommended to purchase a multipurpose bus. This bus will be able to serve as a route bus, activity bus, or Special Education Bus. These types of buses are in high demand in the pre-owned market. The approval of the purchase would allow us to make a purchase immediately when one is located.

- This purchase is being brought for approval in accordance with the District's CH (Local) policy. Any purchase that costs \$50,000 or more, shall require Board approval.
- The cost of the bus will be borne through General Fund. It is in the already approved current budget for Transportation.
- Upon approval, the Transportation Department will purchase as soon as the bus is located.

RECOMMENDATION:

It is recommended to approve the purchase of a bus for an amount not to exceed \$93,647.75.
