Re: Calendar Adoption 2018-2019 and 2019-2020

The District Education Improvement Committee (DEIC) was utilized as the group to gather input and develop a calendar for the 2018-2019 school year. This group is comprised of 60 members including representation from all campuses, business leaders, community leaders, parents, Board members, and central office staff. A DEIC Calendar Sub-Committee of 21 members who were representative of all groups handled the detail work, while the entire committee was provided updates, opportunities for input and information to share with the stakeholders and campuses they represent. The work of the committee culminated with two calendar options being shared on the CISD website for voting and input from all CISD Stakeholders. The result of the work of the committee, as well as input received, has resulted in one calendar option being recommended for 2018-2019. This same option was duplicated for the 2019-2020 calendar being recommended.

Recommendation: The Coppell ISD Board of Trustees approve the proposed calendars for the 2018-2019 and 2019-2020 school years as presented.

An appropriate motion for Board action on the calendar adoptions is as follows:

"I move that the board approve the proposed calendars for the 2018-2019 and 2019-2020 school years as presented."
