

Minidoka County School District  
**Calendar Change Ratification**  
**December 16, 2019**

Trustees -

When we set the calendar last year we planned on a full school day on Friday December 20. However, it was recently pointed out to me that it would be difficult to keep student's attention and have any effective instruction that afternoon.

I made the decision to release students two hours early this coming Friday, December 20, 2020.

I am asking that the Board ratify this decision as an announcement went out last week in order to give parents plenty of notice.

Respectfully Submitted,
