## Leasing Program

If your purchase exceeds \$25,000, you may qualify for our leasing program allowing you more flexibility to spread out the cost of your Daktronics display over of a period up to five (5) years. Benefits of our leasing program include fixed rate financing, non-appropriation clause, no prepayment penalty, and customizable payment schedules. Plus, at the end of the lease, the equipment is yours to keep with no additional balloon payments.

Sample payment options as follows:

\$50,000 in total equipment cost = \$11,285 per year

\$100,000 in total equipment cost = \$22,568 per year

\$250,000 in total equipment cost = \$56,420 per year

\*\*Payments based on 5 year/annual payment in advance structure. **Leasing is subject to credit approval and agreed upon documentation with Daktronics lending partner.** Contact your Daktronics representative for additional options and details.

Notes: Due to the current uncertainty regarding the status of tariffs, prices exclude tariffs imposed after May 29, 2025. In the event Daktronics' total cost for equipment, materials, or components required to perform the work increases due, directly or indirectly, to tariffs that are implemented after May 29, 2025, Daktronics reserves the right to an equitable adjustment to the purchase price.

### Exclusions:

- |                              |  |
|------------------------------|--|
| - Structure                  | - Foundation                                       |
| - Power                      | - Hoist  |
| - Engineering Certification  | - Signal Conduit                                   |
| - Labor to Pull Signal Cable | - Applicable Permits                               |
| - Taxes                      | - Electrical Switch Gear or Distribution Equipment |
| - Front End Equipment        |  |

Unless expressly stated otherwise in this Quote # 892783-1 Rev 0 or the attachments, if Daktronics performs installation of the Equipment, the price quoted does not include the following services pertaining to physical installations: digging of footings (including dirt removal), any materials fabrication, installation of steel cages, rebar, or bolt attachments, or pouring and finishing of concrete footings. Those service may be provided for an additional cost beyond the quoted price. Purchaser shall be fully responsible for any and all additional costs plus overhead in the event anything unexpected of any nature whatsoever is found while digging the footings including but are not limited to rock, water, utility lines, pipes or any other unforeseen circumstance. The Purchaser acknowledges and agrees that it is fully responsible for all site conditions.

Prices and charges are subject to change by Daktronics at any time before the final agreement between the parties is effective. Ship Date will be determined after customer purchase order is received or agreement is signed or otherwise effective, shop drawings are approved (if required) and down payment is received (if required).

### Installation Responsibilities:

If applicable please reference Attachment A for Installation Responsibilities.

### Ad/ID Copy Approval Process

Customer shall provide digital artwork for advertising and identification panels, conforming to [Daktronics' graphic file standards](#), at the time of order.

Daktronics will create a proof of provided artwork and require approval of that proof three weeks prior to the initial anticipated ship date. Advertising and identification panels not approved in time, will be shipped without copy in Daktronics' standard finish.

## ATTACHMENT A

### CUSTOMER RESPONSIBILITIES

#### General

- 1) Secure necessary sign permits, as required, for each respective Equipment location(s); scoreboard
- 2) Secure necessary construction permits, as required, for each respective Equipment location(s); scoreboard
- 3) Customer is responsible to ensure the existing structure/building is adequate, including any necessary modifications, for the installation of the Equipment, including but not limited to (i) obtaining certified engineer drawings to the extent required by law and (ii) providing Daktronics, upon reasonable request, documentation relating to the existing structure and modifications necessary for Daktronics perform its work for each respective Equipment location is; scoreboard
- 4) Mark location of the new Equipment as delineated in the quote for each respective Equipment location(s); scoreboard
- 5) Provide all landscaping, track, sidewalk and path protection along with site restoration, and/or sprinkler system repair work

#### Structures

- 1) Not applicable

#### Electrical & Data

- 1) Provide primary power to the demarcation point (reference clarifications below) per all applicable electrical codes and regulations. Actual primary power requirements, with over current protection, shall be based on available site power and all associated loads for the new Equipment for each respective Equipment location; scoreboard

#### Product/Equipment

- 1) Provide storage of all Equipment and control equipment in a safe, dry, and secure location until installation for each respective Equipment location(s); scoreboard

### DAKTRONICS RESPONSIBILITIES

#### General

- 1) Removal and disposal of existing Equipment for each of these Equipment location(s); scoreboard

#### Structures

- 1) Paint existing support structure(s) after existing Equipment has been removed for the following Equipment location(s); scoreboard

#### Electrical & Data

- 1) Provide secondary power conduits, conductors and power hook-up from demarcation point (reference clarifications below) to all Daktronics supplied load centers/termination panel at/within the Equipment per all applicable electrical codes and regulations for each respective Equipment location; scoreboard

#### Product/Equipment

- 1) Accept, lift, unload, and inspect all Equipment from carrier for each respective Equipment location(s); scoreboard
- 2) Lift and mount Equipment listed in this quotation for each respective Equipment location(s); scoreboard

### QUALIFICATIONS/CLARIFICATIONS

- 1) **Paint Existing Structure:** An allowance has been included in this quotation to repaint the exposed existing structure. The repainting is limited to wire brushing any exposed rust areas and applying a new coat of paint. No warranty for the structure repainting is included.
- 2) **Electrical:** The maximum voltage is 120 volts line to neutral for all Equipment in this quotation for each respective Equipment location(s); scoreboard
- 3) **Electrical Demarcation:** For all Equipment locations is five (5) feet off grade on structure
- 4) **Access:** Daktronics requires unobstructed access to Equipment and control room installation site until display is 100%. Installation equipment (cranes, lifts, trucks, concrete trucks, etc.) are expected to have access directly to the scoreboard/structure location. No concrete pumping, concrete buggies, or crane picks over 10' distance from scoreboard structure are included
- 5) **Existing Conduit:** Costs to repair or replace damaged or obstructed conduit have not been included in this quote
- 6) **Damages and Wages:** Liquidated damages, prevailing wages, certified payroll or union labor have not been included in the installation pricing
- 7) **Existing Structure:** The top of the new Equipment will be placed at the top of the existing columns. No column extensions or modifications have been included in this Quote. This may result in the bottom of the Equipment being at a different elevation off grade than the existing Equipment.

Unless expressly stated otherwise in this Quote # 892780-1 Rev 0 or the attachments, if Daktronics performs installation of the Equipment, the price quoted does not include the following services pertaining to physical installations: digging of footings (including dirt removal), any materials fabrication, installation of steel cages, rebar, or bolt attachments, or pouring and finishing of concrete footings. Those service may be provided for an additional cost beyond the quoted price. Purchaser shall be fully responsible for any and all additional costs plus overhead in the event anything unexpected of any nature whatsoever is found while digging the footings including but are not limited to rock, water, utility lines, pipes or any other unforeseen circumstance. The Purchaser acknowledges and agrees that it is fully responsible for all site conditions.

Prices and charges are subject to change by Daktronics at any time before the final agreement between the parties is effective. Ship Date will be determined after customer purchase order is received or agreement is signed or otherwise effective, shop drawings are approved (if required) and down payment is received (if required).

### Installation Responsibilities:

If applicable please reference Attachment A for Installation Responsibilities.

### Ad/ID Copy Approval Process

Customer shall provide digital artwork for advertising and identification panels, conforming to [Daktronics' graphic file standards](#), at the time of order.

Daktronics will create a proof of provided artwork and require approval of that proof three weeks prior to the initial anticipated ship date. Advertising and identification panels not approved in time, will be shipped without copy in Daktronics' standard finish.
