December 23, 2022

Attn: All Bidders  
Project: Craig High School Biomass Project  
Subject: Notice of Bid Results and Determination of the Low Bidder.

On Friday, Dec 16, 2022 at 2 pm, Craig City School District received bids for the Craig Elementary and Middle School Improvement Projects. A total of one (1) Bid was received for each project. The bid included the required submittal items, acknowledged receipt of all addenda, and appeared to be a responsive bid.

After evaluating the received bid in accordance with the bid requirements, the bid submitted by Dawson Construction. for a total bid including alternates for the Middle School was \$9,265,791.00 and for the Elementary was \$3,695,948.00. These bids were determined to be the lowest bid. However, these bids exceeded projects estimates and Craig City School District's available funding for the project is not sufficient to award the project.

Thank you for your interest in the project and especially for all the hard work necessary in preparing a bid for the project.

Sincerely,

Chris Reitan, CCSD Superintendent
