

4:10 Fiscal and Business Management

The Superintendent or designee is responsible for the School District's fiscal and business management. This responsibility includes annually preparing and presenting the District's statement of affairs to the Board of Education and publishing it before December 1 as required by State law.

The Superintendent or designee shall ensure the efficient and cost-effective operation of the District's business management using computers, computer software, data management, communication systems, and electronic networks, including electronic mail, the Internet, and security systems. Each person using the District's electronic network shall complete an *Authorization for Access to the District's Electronic Network*.

The budget shall be designed to carry out District operations in a thorough and effective manner, maintain District facilities property, and honor continuing obligations of the Board.

Budget Planning

The District's operation and educational plan is reflected in its budgets. The District's fiscal year is from July 1 until June 30. The Superintendent or designee shall present to the Board, June or July, a tentative budget with appropriate explanation. This budget shall represent the culmination of an ongoing process of planning for the fiscal support needed for the District's educational program. The District's budget shall be entered upon the Illinois State Board of Education's *School District Budget Form*. To the extent possible, the tentative budget shall be balanced as defined by the State Board of Education guidelines. The Superintendent or designee shall complete a tentative deficit reduction plan if one is required by the State Board of Education guidelines.

Preliminary Adoption Procedures

After receiving the Superintendent's or designee proposed budget, the Board sets the date, place, and time for:

1. A public hearing on the proposed budget, and
2. The proposed budget to be available to the public for inspection.

The Board Secretary shall arrange to publish a notice in a local newspaper stating the date, place, and time of the proposed budget's availability for public inspection and the public hearing. The proposed budget shall be available for public inspection at least 30 days before the time of the budget hearing.

At the public hearing, the proposed budget shall be reviewed, and the public shall be invited to comment, question, or advise the Board.

Final Adoption Procedures

The Board adopts a budget before the end of the first quarter of each fiscal year, September 30, or by such alternative procedure as State law may define. To the extent possible, the budget shall be balanced as defined by the State Board of Education; if not balanced, the Board will adopt a deficit reduction plan to balance the District's budget within 3 years according to State Board of Education requirements.

The Board adopts the budget by roll call vote. The budget resolution shall be incorporated into the meeting's official minutes. Board members' names voting *yea* and *nay* shall be recorded in the minutes. Once adopted, the budget deserves the support of all members of the Board regardless of their position before its adoption.

The Superintendent or designee shall perform each of the following:

1. Post the District's final annual budget, itemized by receipts and expenditures, on the District's Internet website; notify parents/guardians that it is posted and provide the website's address.
2. Unrestricted reserves in the operating funds shall be maintained at a level equal to 30.0% of the operating budget. (The operating budget is composed of the education, operations & maintenance, transportation, retirement, tort immunity and the working cash fund.)
3. The budget shall first provide for staff and operating expenses to meet projected changes in student enrollment and mandated programs.
4. The budget shall reflect the Board's desire to maintain a level tax rate-when possible.
5. The budget shall reflect the Board's desire to maintain debt within the limits defined in the Illinois School Code.
6. The budget shall reflect the Board's desire to maintain safe and operationally sound facilities.
7. The budget shall anticipate compliance with all applicable governmental and legal obligations of the District.
8. The budget shall include a contingency for variable and unanticipated costs.
9. The administrative team shall in connection with the preliminary budget identify potential efficiencies and inter-building, interdepartmental and district wide coordination or from building or district programs or other organizational restructuring initiatives.
10. File a certified copy of the budget resolution and an estimate of revenues by source anticipated to be received in the following fiscal year, certified by the District's Chief Fiscal Officer, with the County Clerk within 30 days of the budget's adoption.
11. Make all preparations necessary for the Board to timely file its Certificate of Tax Levy, including preparations to comply with the Truth in Taxation Act; file the

Certificate of Tax Levy with the County Clerk on or before the last Tuesday in December. The Certificate lists the amount of property tax money to be provided for the various funds in the budget.

12. Submit the annual budget, a deficit reduction plan if one is required by State Board of Education guidelines, and other financial information to the State Board of Education according to its requirements.

Any amendments to the budget or Certificate of Tax Levy shall be made as provided in the School Code and Truth in Taxation Act.

Budget Amendments

The Board may amend the budget by the same procedure as provided for in the original adoption.

Implementation

The Superintendent or designee shall implement the District's budget and provide the Board with a monthly financial report that includes all deficit fund balances. The amount budgeted as the expenditure in each fund is the maximum amount that may be expended for that category, except when a transfer of funds is authorized by the Board.

~~The Board shall act on all interfund loans, interfund transfers, transfers within funds, and transfers from the working cash fund or abatements of it, if one exists. Interfund loans, interfund transfers, transfers from the working cash fund or abatements of it, if one exists, and transfers of greater than \$50,000 within funds, can only be made upon prior Board approval in the manner required by law. Transfers of \$50,000 or less between line items within any one fund may be made preliminarily by the School Treasurer; provided, however, that the School Treasurer must report all such transfers to the Board not less than quarterly for the Board's consideration and action thereon.~~ The Board places the responsibility of administering the budget, once adopted, with the Superintendent or designee. S/He will consult with the Board concerning the budget as required by law, and shall keep the Board informed as to problems or concerns as the budget is being implemented.
