

BB 9330 MEMBERSHIPS IN ASSOCIATIONS

Membership in recognized associations such as Association of Alaska School Boards will be maintained by the District for several reasons, including:

- The in-service education benefits to staff and School Board which come from participation in meetings, conferences, clinics and conventions;
- Access to the communication media of such associations, such as newsletters, periodicals, and advisory services; and
- Representation in actions affecting education in general and the District, in particular.

The Board in maintaining such membership in no way abdicates its authority over the responsibility for the schools of the District as outlined in state law and Board Policy.

The Superintendent is directed to budget funds for such memberships, and for paying the costs of adequate participation of Board, Administration, and Staff in the activities of such association to achieve the purposes listed above.
