

Right now we can screen print shirts (long, short sleeves, tanks), sweaters, totes, towels (not terrycloth), jackets, and posters. The students have been asking about designing more for the school.

We can hand cut stickers at the moment but are hoping to be able to mass produce vinyl waterproof stickers, decals, banners, and actual picture images/jersey names & numbers for heat pressing starting roughly in January.

Thank you for thinking of Parkrose High School Screen Printing.

Best,

Sara Brannen  
Art Teacher  
Parkrose High School

Last year

Bags \$1,246.00

Printing \$2,765.00

**Total \$4,011.00**

PNWFCU donation \$1,500

- It doesn't sound like they can print on socks - I'm double checking
- Sara won't know pricing for stickers until January.
- Whatever we get printed will be around \$3000 for screen printing, plus whatever the cost for a bulk order of the item that's being printed on.
