2024 Accountability Ratings Overall Summary

Calculated on September 17th, 2024 at 4:33PM

The Texas Education Agency (TEA) has now released the final [2024 Accountability Manual](#) with the official A-F methodology for 2023-2024.

On Data Suite has updated the A-F calculations to align with the finalized approach. Please review the [A-F update log](#) for specifics on changes made. The current reports can reliably indicate expected A-F ratings, though final official ratings will still come from TEA after all data is certified.

* If a scaled score less than 60 is received in three of the four areas of Student Achievement; School Progress, Part A: Academic Growth; School Progress, Part B: Relative Performance; or Closing the Gaps, the highest scaled score a district, open-enrollment charter school, or campus can receive for the overall rating is a 59. In order for this provision to be applied, the district, open-enrollment charter school, or campus must be evaluated in all four areas. If the Student Achievement domain scaled score is 60 or higher, this provision will not be applied. This provision is not applied to a dropout recovery school.

** If a scaled score less than 70 is received in three of the four areas of Student Achievement; School Progress, Part A: Academic Growth; School Progress, Part B: Relative Performance; or Closing the Gaps, the highest scaled score a district, open-enrollment charter school, or campus can receive for the overall rating is a 69. In order for this provision to be applied, the district, open-enrollment charter school, or campus must be evaluated in all four areas. This provision is not applied to a dropout recovery school. If the Student Achievement domain scaled score is 70 or higher, this provision will not be applied.
