Re: Athletic Director Report- May, 2023

It has been a good spring for Homedale athletics. Excited for all of the district tournament action to start this coming Saturday, May 6th.

Baseball-

Varsity finished regular season play as the number 3 seed in the conference. Their first district game will be on Saturday, May 6th hosting McCall at 12:00. If we qualify for the state tournament, it will be hosted at NNU on May 18-20. The varsity finished the regular season with a record of 16-8.

JV Baseball played well this year considering how many new kids they had on the team. Their JV tournament will be held on Saturday in Payette. They are the third seed.

Softball-

Varsity finished as the number 1 overall seed in conference play. Like baseball, higher seed hosts, so we will get to host any and all games we play in during the district tournament. Their first district competition will be Monday at 5:00.. If the softball team qualifies for the state tournament, it will be hosted at Blackfoot High School on May 19 & 20th. They finished with a 19-5 overall record in the regular season.

JV played well this season. There weren't enough JV teams for a district tournament.

Track-

Track is having a great year with multiple kids setting PR's at almost every event. Track's district meet will be in Fruitland on May 11 & 12 . State will be at Middleton HS on May 19-20. The track team has had a difficult season with regards to facilities. I want to commend Coach Christensen and his staff for being extremely flexible with practices and meets. I know it has been difficult on the athletes as well.

Golf-

Golf just finished their regular season schedule. The boys team finished 2nd overall. District meet will be at Scotch Pines on May 8th. It's going to be a great district tournament. The competition on the boys side of things as been really close all season.

The girls have a full team. They have a chance to qualify as a team, which hasn't happened for several years.

State golf will be held at Blackfoot GC on May 15-16.

Tennis-

The tennis program has been improving all year. Tennis is low on numbers which means we struggle against the tennis power houses in our conference (Parma & Fruitland). Their district tournament will be on May 11-13. State tennis will be at Ridgevue High School in Nampa on May 19-20.
