PROPOSED REVISIONS: 4-9-2014

COURSE REQUIREMENTS	To graduate, a student must complete the courses required by the District in addition to those mandated by the state.
GRADUATION PROGRAMS INSTITUTED PRIOR TO 2014–15	Students enrolled in high school prior to the 2014–15 school year may graduate under state programs other than the foundation program, including the Minimum Program, the Recommended Program, and the Advanced/Distinguished Achievement Program. The courses required for each of these programs shall be listed in appropriate publications. The District credit requirements under these programs are listed below.
MINIMUM PROGRAM	The District requires 2 additional credits for graduation under the Minimum Program beyond those mandated by the state. The additional credits shall be 1 credit in science and 1 credit in fine arts.
RECOMMENDED PROGRAM	The District requires no additional credits for graduation under the Recommended Program beyond the number mandated by the state.
TEXAS SCHOLARS	Students who meet all requirements of the State Recommended Program shall be designated Texas Scholars.
ADVANCED / DISTINGUISHED ACHIEVEMENT PROGRAM	The District requires no additional credits for graduation under the Advanced/Distinguished Achievement Program beyond the number mandated by the state.
READING CREDITS	<p>The District shall offer up to 3 credits of reading for state graduation credit. The Superintendent or designee shall be responsible for establishing procedures to assess individual student needs and evaluate student progress and shall monitor instructional activities to ensure that student needs are met. Students shall be identified as eligible to earn reading credit based on:</p> <ol style="list-style-type: none">1. Recommendation by a teacher or counselor.2. Scores on assessment instruments and/or achievement tests.
FOUNDATION PROGRAM	The courses that satisfy District requirements under the foundation program, including courses for the distinguished level of achievement and courses for endorsements offered by the District, shall be listed in appropriate District publications.
WITHOUT AN ENDORSEMENT	The District requires no additional credits beyond the number mandated by the state to graduate under the foundation program without an endorsement. Graduation under the foundation program without an endorsement shall be permitted only as authorized under state law and rules.
