Re: Board Report June 2026

End of year recognition and success

- Thank you to everyone for a successful year and 151st celebration of the graduating class for this year's seniors. There was a lot of positive feedback around the ceremony and end of the year activities.
- This past May, Nicolía Heineman, myself and rising senior, student board liaison Wyeth Angus, interviewed for our open student liaison position for the 26-27 school year. We are excited to announce Charlotte "Charlie" Schmunk as the rising junior representative. We had a number of great applicants this year. The students that were not selected for this role have been offered a spot to join the principal advisory committee.
- The senior awards ceremony took place on Friday, May 29th. During this evening, 63 students received a scholarship from local community partners and donors. The total amount of monies awarded totaled approximately \$185,000. The entire evening recognized 105 students for various achievements including cum laude status, National Honor Society members, Top 10, Student Leaders of Student Council, as well as recipients of other various awards.
- Thank you for the years of service to the following CHS retiree's: Todd Blomquist, Art Finger, Karen Kurcz, and Mark Scheese. We appreciate all they have done for the school, the school, the students and the community during their tenure at CHS.
- Summer programming for CHS students begins June 9, 2026.
- This year, CHS was fortunate enough to have a dedicated premiere sub that took long term positions, filling in for staff leaves and day to day support. We would like to thank Jordan Raft for her dedication and service this year as our premier sub.

Submitted respectfully,
Amanda Clor
Principal, Chelsea High School
