## Day 1 Flight

**Overnight flight to Italy** • Spend the night flying across the Atlantic.

## Day 2 Rome

**Arrival in Rome** • Touch down in *bella Roma*, the Eternal City. Here, Charlemagne was crowned by the pope in A.D. 800. After clearing customs, you are greeted by your bilingual EF Tour Director, who will remain with you throughout your stay.

## Day 3 Rome

**Visit to Vatican City** • Today, you will explore Vatican City, the world's smallest country. Begin at the Vatican Museum, where elaborate galleries filled with one artistic masterpiece after another lead you directly to the Sistine Chapel. Between 1508 and 1512, Michelangelo painted some of the world's finest pictorial images on the chapel's ceiling. This was his first attempt at working in fresco, which he did by standing up and craning backward from a scaffold. Next, tour St. Peter's Basilica, erected on the site where the saint was martyred. Enter the basilica under the watchful eyes of the brightly dressed Swiss Guard. Inside, admire Michelangelo's *Pietà*, the only sculpture he ever signed.

**Guided sightseeing of Rome** • Get to know Imperial Rome on a panoramic tour. Then spend time exploring the mighty Colosseum, Rome's largest amphitheater. Its elaborate construction spanned two emperors—building began between A.D. 70 and 72 under Vespasian and was completed in A.D. 80 under

Titus. Originally built to accommodate nearly 50,000 spectators, the Colosseum played host to some of the most incredible spectacles of the day, including gladiatorial combat, mock sea battles, animal hunts, executions and even dramatic performances based on classical mythology. Later, pass by the Forum Romanum, once the heart of the Roman Empire.

**Walking tour of Rome** • As part of your walking tour of Rome, stop at the Trevi Fountain and make sure to toss in a coin to ensure your return to Rome. Then view the Pantheon, one of the best-preserved ancient buildings in the city, commissioned by the Emperor Hadrian around A.D. 120. This temple to "all the gods" features the second-widest dome in Rome. Then, during free time, continue to the Piazza Navona before meeting at the Spanish Steps prior to dinner.

## Day 4 Florence • Rome

**Optional excursion to Florence** • Join an optional excursion to Florence, birthplace of the Italian language, the Renaissance and opera. The city is a treasure-trove of art, architecture and history, unparalleled anywhere in the world. Pass the classical statues of the Piazza della Signoria, where Michelangelo's *David* originally stood and now the site of an impressive replica. From behind the Uffizi Palace, you will see Ponte Vecchio, one of the city's only bridges to survive WWII and now one of its most photographed sites. The bridge provided the Medici easy access from the Pitti Palace to the Uffizi. You also will visit the Santa Maria del Fiore Cathedral, better known as the

Duomo, or dome, that dominates Florence's skyline. The dome was sculptor and architect Brunelleschi's finest work, and the nearby campanile (bell tower) was designed by the painter Giotto. Look for the famous bronzed doors—Ghiberti's legendary *Gates of Paradise*—at the Baptistry opposite the Duomo.

**Free time in Rome** • Alternatively, you'll have free time to make your own discoveries of Rome. You might wish to focus on museums, cathedrals or finding the perfect gelato.

#### **Day 5 Rome • Sorrento**

**Transfer to Sorrento** • Experience the unparalleled beauty of Italy's favorite resort, which overlooks the Bay of Naples.

**Guided sightseeing of Capri** • Cross the Bay of Naples to the captivating Isle of Capri. Travel by funicular to the town of Capri and board a cruise to catch the most spectacular views of Capri's coast. See the Arco Naturale, a majestic stone arch on the eastern cliffs, and the famous Faraglioni, three enormous, pale-ochre limestone colossi that loom out of the sea. When weather conditions do not permit a cruise, groups will visit the town of Anacapri instead.

#### **Day 6 Sorrento • Night Ferry**

**Guided sightseeing of Pompeii** • Learn how wealthy Romans lived 2,000 years ago on an excursion to Pompeii, one of the richest archaeological sites in the world. When neighboring Mount Vesuvius erupted in A.D. 79, volcanic ash completely buried the Roman resort, perfectly preserving the minutiae of daily life. Now it is fully excavated, and you can see ruins of villas, ancient temples and the Stabian Baths.

**Night ferry to Greece** • Board a night ferry in Brindisi or Bari. Enjoy cabin accommodations as you sail across the Ionian Sea to Greece.

#### **Day 7 Patras • Delphi**

**Arrival in Patras** • Disembark in Patras. Capital of the Peloponnese, Patras serves as a hub for ships traveling among the Greek islands and the ports of Italy.

**Transfer to Delphi** • Journey through vineyards and orchards to Delphi, home of the mystical Oracle.

#### **Day 8 Delphi • Athens**

**Guided sightseeing of Delphi** • As you tour Delphi, ponder the mysteries of what lies in your future, as did Greece's ancient military leaders, who left gifts for the Oracle in hopes of good fortune in battle. Then visit the Temple

of Apollo where, according to legend, the god communicated with mortals. Your visit concludes with a stop at the Delphi Museum, whose collection boasts many artifacts dating back to 550 B.C., reminiscent of the mythical past of ancient Greece.

**Arrival in Athens** • Arrive in Athens, Cradle of Democracy and birthplace of Western civilization.

#### **Day 9 Athens**

**Guided sightseeing of Athens** • An expert local guide introduces you to the antiquities of Athens. Climb the Acropolis to view the majestic Parthenon, perhaps the world's greatest architectural feat. See the Temple of Athena Nike, which once housed a gold statue of the goddess (her wings were clipped to keep her from ever deserting the city). Athens is named after Athena, the goddess of war and wisdom. After seeing the Presidential Guard in their traditional costumes, pass the stadium, where the first modern Olympics were held in 1896, as well as lively Omonia and Syntagma squares. During free time you may have later, use your ticket from this morning's sightseeing to explore other sights in Athens. Visit the Agora, ancient Athens' political, economic and commercial center, which holds the remains of the Temple of Hephaistos, begun in 449 B.C. You might also visit the Athenian Cemetery, a who's who of Ancient Athens. It contains impressive family tombs, where statesmen, warriors and authors were laid to rest.

**EF walking tour of Athens** • Get acquainted with the endearing Plaka district. Stroll past Hadrian's Arch and the Temple of Olympian

Zeus, built to honor the most powerful of all Greek gods—construction began in 515 B.C.

**Optional Greek Evening** • Tonight, opt to experience Greece's unique and colorful culture during an evening of traditional entertainment and cuisine. Enjoy an authentic meal composed of typical dishes at a specially selected taverna in or near the famous old Plaka district of Athens. Watch an enthralling belly-dance performance, and witness the fancy footwork and twirling bravado of traditional Greek dancing while musicians perform on bouzoukis, stringed instruments unique to Greece. Musical instruments, which date from the Bronze Age in Greece, have long played a central role in Greek tradition, as have regional dances. Experience firsthand this thrilling element of Greek culture!
