Mr. Timm
Respect - Integrity - Excellence

<p>GOAL 1: Personalize learning for all students in pursuit of their academic excellence.</p>	<p>Registration meetings with 8th-11th graders start the week of February 5th. Mrs. Helgemoe and I are meeting with each class (both in a large and small group setting) to explain graduation requirements and registration process. These meetings are designed to help students make the best choices for classes. After our meetings, we encourage students to discuss class options with their parents. On Monday, February 12th Mrs. Helgemoe will be holding an informational meeting at 6:00 with parents in regards to the registration process.</p>
<p>GOAL 2: Develop well-rounded students in the areas of character, community & academics.</p>	<p>Our Collaborative Senior Day with Lewiston-Altura, LaCrescent and Caledonia is right around the corner. The goal for the day is to build relationships with students from other districts, learn about different careers in SE Minnesota, make connections with area businesses, and overall learn skills to help them transition into adult life and be successful adults.</p> <p>We have a number of HS students who are having their work displayed at the Lanesboro Art Gallery currently as part of the "Juried High School Art Show". The work will be on display until 27th from 10:00-5:00 (Tuesday-Saturday)</p>
<p>GOAL 4: Promote and provide positive school and community culture that engages all stakeholders.</p>	<p>Our WE group is planning their annual cancer awareness fundraiser week again. The week of February 12-16th they have many activities planned both during the school day and at basketball games to help promote awareness and raise money for this great cause.</p> <p>We have a group of seniors who are volunteering at the SEMCAC food shelf two Thursday's a month to help carry out groceries. It is a wonderful partnership that both our students and SEMCAC both appreciate and learn from.</p>
