OTHERS PRESENT:

Call to Order:

The work session was called to order at 5:30 pm by Chair Becky Kindle.

Development of Board Goals for 2024/2025

Mr. Combe reviewed the proposed goals with the board.

Goal 1: All Morrow County School District students will demonstrate academic achievement growth proportionate to or above their Oregon peers using a variety of measures. Students are expected to grow academically a minimum of one year at every grade level, in preparation for graduation.

Goal 2: The Morrow County School District will continue to maintain a financial management plan in accordance with state and federal funding trends. The board will proactively support the bond planning process and act swiftly to address future needs by enhancing existing building infrastructure. Additionally, the district will continue to focus on culture and climate within our buildings to help complement our staff retention efforts.

Goal 3: Develop and foster strong communication and safety practices that support the district's mission and goals with all stakeholder populations. MCSD will strive to build trust and improve partnerships with communities, including parents, business, civic and cultural groups. MCSD will continue to work with families and community partners to emphasize the effect attendance has on student learning.

Goal 4: Collaboration with county and regional partners to further provide innovative learning opportunities for students.

After discussion and review, adjustments were made to goal #4 and moved it up to Goal #2 position. The 2024/25 Board Goals will be presented at the Board meeting for adoption.

Work session adjourned at 6:00pm.

Respectfully submitted:

Barbara Phillips, Board Secretary

Richard Cole, Board Chair
