Certifications

- Level 1 Certificate Emergency Medical Technician Basic (EMT-B)
- Level 1 Certificate Emergency Medical Technician Paramedic (EMT-P)
- Associate of Applied Science (AAS)
–Emergency Medical Technician Paramedic (EMT-LP).

Strategic Plan Objective

PLAN: Increase the number of students that pass the NREMT certification exam by 10%

IMPLEMENTATION: The program will analyze data to identify barriers, enhance academic support and improve course delivery methods to improve student success rates with the NREMT.

EVALUATION: To measure the success of a plan to increase NREMT passing rates, the program will use data analysis, student feedback, comparisons to other EMS programs, and regular evaluations
