CREATION OF ESCROW

Section 2.01. The District by the Bond Resolution has authorized the issue and delivery of the Bonds, proceeds of which, together with certain funds of the District on hand and legally available for such purpose, are to be used to refund the Refunded Bonds by the deposit on demand and to purchase on behalf of the District the Government Securities. Such deposit and

securities will provide all moneys necessary to pay the principal of and interest on the Refunded Bonds when due and upon redemption prior to the maturity.

Section 2.02. The District deposits \$_____ from the proceeds of the Bonds, \$0.00 from the proceeds of the Refunded Bonds and \$_____ from funds on hand and legally available for the purchase of Government Securities and the funding of a beginning cash escrow deposit on demand in the amount of \$_____. The beginning deposit and the Government Securities are held in an irrevocable trust fund account for the District to the benefit of the holders of the Refunded Bonds to pay the principal of and interest on the Refunded Bonds when due and upon redemption prior to the maturity.

Section 2.03. The Escrow Agent and the District have each received the report of Causey Demgen & Moore P.C., Denver, Colorado, attached hereto as *Exhibit B* (the "*Verification Report*"), that the principal of and income and profit to be received from the Government Securities, when paid at maturity, and the cash held in accordance with Section 2.02 hereof, will be sufficient, at all times pending the final payment of the Refunded Bonds, to pay all interest on and all principal of the Refunded Bonds when due and upon redemption prior to the maturity as evidenced by said Report.

ARTICLE III

COVENANTS OF ESCROW AGENT

The Escrow Agent covenants and agrees with the District as follows:

Section 3.01. The Escrow Agent will hold the Government Securities and all interest income or profit derived therefrom and all uninvested cash in an irrevocable segregated and separate trust fund account for the sole and exclusive benefit of the holders of the Refunded Bonds until final payment thereof.

Section 3.02. The beginning cash escrow deposit shall not be invested by the Escrow Agent. Otherwise, the Escrow Agent will reinvest all available uninvested balances (except for an amount under \$1,000 or as explicitly provided in this Section) in the Escrow Account on deposit from time to time, whenever said balances exceed \$1,000 unless said balance is needed to pay principal of or interest on refunded bonds within 14 days, and acknowledges that the schedule of amounts available for reinvestment appears in the cash flow tables in the Verification Report and in *Exhibit C*. Investments so made shall be in direct obligations of the United States of America and shall be scheduled to mature on or prior to the interest payment date on the Refunded Bonds on which such proceeds will be needed to pay the principal of or interest on the Refunded Bonds. Such investments shall, to the extent possible, be in zero-yield obligations issued directly by the Bureau of Fiscal Service of the United States Treasury (currently designated “*U. S. Treasury Securities—State and Local Government Series Certificates of Indebtedness, Notes or Bonds*”) (“*SLGS*”). Such investments shall be made only to the extent permitted by, and shall be made in accordance with, the applicable statutes, rules and regulations governing such investments issued by the Bureau of Fiscal Service. The Escrow Agent expressly recognizes that under current regulations all SLGS must be subscribed for not less than 5 days (7 days for amounts of \$10,000,000 or more) nor more than 60 days prior to date of issuance.

Exhibit C contains a list of scheduled reinvestments. The Escrow Agent is instructed to subscribe for and take delivery of SLGS as described in *Exhibit C*.

If the Department of the Treasury (or the Bureau of Fiscal Service) of the United States suspends the sale of SLGS causing the Escrow Agent to be unable to purchase SLGS, then the Escrow Agent will take the following actions. On the date it would have purchased SLGS had it been able to do so, the Escrow Agent will purchase direct obligations of the United States (the

“*Alternate Investment*”) maturing no more than 90 days after the date of purchase and no later than the scheduled maturity date of such SLGS as shown on *Exhibit C*. The purchase price of the Alternate Investment shall be as close as possible but not more than to the principal amount of the SLGS that would have been purchased on such date if they had been available for purchase and also not more than the total of all principal and interest to be received on such investment. The maturity date of the Alternate Investment shall be the latest possible date that (i) is not more than 90 days after the purchase date and (ii) is not after the scheduled maturity date for the SLGS that would have been purchased if available as shown on *Exhibit C*. The Escrow Agent will purchase each Alternate Investment in the customary manner for such investments (in the secondary market or in a Treasury auction) at a price no higher than the fair market value of the Alternate Investment and will maintain records demonstrating compliance with this requirement. If the Escrow Agent is unable to purchase any investment satisfying all of these requirements, then the Escrow Agent will leave the balance uninvested and shall notify the District that it has been unable to purchase such an Alternate Investment, providing the reason for such inability to the District. On the maturity of each Alternate Investment, the Escrow Agent shall pay the difference between the total of the receipts (principal and interest) on the Alternate Investment and the purchase price of the Alternate Investment to the District with a notice to the District that such amount may need to be paid to the Internal Revenue Service pursuant to Rev. Proc. 95-47 or successor provisions including any finalized version of Prop. Treas. Reg. Section 1.148-5(c). If the Alternate Investment matures more than 14 days prior to the next succeeding interest payment date on the Refunded Bonds on which such proceeds will be needed to pay principal of or interest on the Refunded Bonds, the Escrow Agent shall treat such amounts as an uninvested balance available for reinvestment and shall take all reasonable

steps to invest such amounts in SLGS (or additional Alternate Investments as provided in this Section).

The Escrow Agent shall hold balances not so invested in the Escrow Account on demand and in trust for the purposes hereof and shall secure same in accordance with applicable Illinois law for the securing of public funds.

Section 3.03. The Escrow Agent will take no action in the investment or securing of the proceeds of the Government Securities which would cause the Bonds to be classified as “arbitrage bonds” under the Code, *provided*, it shall be under no duty to affirmatively inquire whether the Government Securities as deposited are properly invested under the Code; and, *provided, further*, it may rely on all specific directions in this Agreement in the investment or reinvestment of balances held hereunder.

Section 3.04. The Escrow Agent will promptly collect the principal, interest or profit from the Government Securities and promptly apply the same as necessary to the payment of principal and interest on the Refunded Bonds when due and upon redemption prior to the maturity as herein provided.

Section 3.05. The Escrow Agent will remit to the Paying Agent, in good funds on or before each principal or interest payment or redemption date on the Refunded Bonds, moneys sufficient to pay such principal, interest and redemption price as will meet the requirements for the retirement of the Refunded Bonds, and such remittances shall fully release and discharge the Escrow Agent from any further duty or obligation thereto under this Agreement.

Section 3.06. The Escrow Agent will make no payment of fees, charges or expenses due or to become due, of the Paying Agent or the bond registrar and paying agent on the Bonds, and the District either paid such fees, charges and expenses in advance as set forth in Section 3.07 hereof or covenants to pay the same as they become due.

Section 3.07. The charges, fees and expenses of the Escrow Agent (other than any charges, fees and expenses incurred pursuant to Section 3.08 hereof) have been paid in advance, and all charges, fees or expenses of the Escrow Agent in carrying out any of the duties, terms or provisions of this Agreement shall be paid solely therefrom. The Escrow Agent is also providing bond registrar and paying agent services for the Bonds, and the acceptance fee and first annual fee of the Escrow Agent for such bond registrar and paying agent services have been paid in advance, and all remaining charges, fees or expenses of the Escrow Agent for such services shall be paid by the District upon receipt of invoices therefor.

Section 3.08. The District has called the Refunded 2007A Bonds and the Refunded 2007B Bonds for redemption and payment prior to maturity on January 1, 2017. The Escrow Agent will cause the Paying Agent to provide for and give timely notice of the call for redemption of such Refunded Bonds. In the event the Escrow Agent determines that the Paying Agent will not give such timely notice, the Escrow Agent will give such notice. The form and time of the giving of such notice regarding such Refunded Bonds shall be as specified in the resolutions authorizing the issuance of the Refunded Bonds. The District shall reimburse the Escrow Agent for any actual out of pocket expenses incurred in the giving of such notice, but the failure of the District to make such payment shall not in any respect whatsoever relieve the Escrow Agent from carrying out any of the duties, terms or provisions of this Agreement.

The Escrow Agent shall also give, or shall cause the Paying Agent to give, notice of the call of the Refunded 2007A Bonds and the Refunded 2007B Bonds, on or before the date the notice of such redemption is given to the holders of such Refunded Bonds, to the Municipal Securities Rulemaking Board (the “MSRB”) through its Electronic Municipal Market Access system for municipal securities disclosure or through any other electronic format or system prescribed by the MSRB for purposes of Rule 15c2-12 adopted by the Securities and Exchange

Commission under the Securities Exchange Act of 1934, as amended. Information with respect to procedures for submitting notice can be found at <https://msrb.org>.

Section 3.09. The Escrow Agent has all the powers and duties herein set forth with no liability in connection with any act or omission to act hereunder, except for its own negligence or willful breach of trust, and shall be under no obligation to institute any suit or action or other proceeding under this Agreement or to enter any appearance in any suit, action or proceeding in which it may be defendant or to take any steps in the enforcement of its, or any, rights and powers hereunder, nor shall be deemed to have failed to take any such action, unless and until it shall have been indemnified by the District to its satisfaction against any and all costs and expenses, outlays, counsel fees and other disbursements, including its own reasonable fees, and if any judgment, decree or recovery be obtained by the Escrow Agent, payment of all sums due it, as aforesaid, shall be a first charge against the amount of any such judgment, decree or recovery.

Section 3.10. The Escrow Agent may in good faith buy, sell or hold and deal in any of the Bonds or the Refunded Bonds.

Section 3.11. The Escrow Agent will submit to the Treasurer a statement within forty-five (45) days after January 2 and July 2 of each calendar year, commencing _____ 2, 20__, itemizing all moneys received by it and all payments made by it under the provisions of this Agreement during the preceding six (6) month period (or, for the first period, from the date of delivery of the Bonds to _____ 2, 20__), and also listing the Government Securities on deposit therewith on the date of said report, including all moneys held by it received as interest on or profit from the collection of the Government Securities.

Section 3.12. If at any time it shall appear to the Escrow Agent that the available proceeds of the Government Securities and deposits on demand in the Escrow Account will not be

sufficient to make any payment due to the holders of any of the Refunded Bonds, the Escrow Agent shall notify the Treasurer and the Board, not less than five (5) days prior to such date, and the District agrees that it will from any funds legally available for such purpose make up the anticipated deficit so that no default in the making of any such payment will occur.

ARTICLE IV

COVENANTS OF DISTRICT

The District covenants and agrees with the Escrow Agent as follows:

Section 4.01. The Escrow Agent shall have no responsibility or liability whatsoever for (a) any of the recitals of the District herein, (b) the performance of or compliance with any covenant, condition, term or provision of the Bond Resolution, and (c) any undertaking or statement of the District hereunder or under the Bond Resolution.

Section 4.02. All payments to be made by, and all acts and duties required to be done by, the Escrow Agent under the terms and provisions of this Agreement, shall be made and done by the Escrow Agent without any further direction or authority of the District or the Treasurer.

Section 4.03. The District will take no action regarding the proceeds of the Bonds which would cause the Bonds to be classified as “arbitrage bonds” under the Code, and the District will take any and all further action necessary to ensure that adequate provision is made for the payment of the Refunded Bonds and that neither the Refunded Bonds nor the Bonds are classified as “arbitrage bonds” under the Code.

(2) An opinion of nationally recognized bond counsel or tax counsel nationally recognized as having an expertise in the area of tax-exempt municipal bonds that the Subsequent Action has been duly authorized by the Board and will not adversely affect the tax-exempt status of the interest on the Bonds or the Refunded Bonds nor violate the covenants of the District not to cause the Bonds or the Refunded Bonds to become

“arbitrage bonds” under the Code, and that the Subsequent Action does not materially adversely affect the legal rights of the holders of the Bonds and the Refunded Bonds.

(3) An opinion of a firm of nationally recognized independent certified public accountants or consultants nationally recognized as having an expertise in the area of refunding escrows that the amounts (which will consist of cash or deposits on demand held in trust or receipts from non-callable direct obligations of or non-callable obligations guaranteed by the full faith and credit of the United States of America, all of which shall be held hereunder) available or to be available for payment of the Refunded Bonds will remain sufficient to pay when due all principal and interest on the Refunded Bonds after the taking of the Subsequent Action.
