

## MEMORANDUM

**TO:** NWABSD Board of Education  
Members

**DATE:** November 25, 2025

**NUMBER:** 26-050

**FR:** Office of the Superintendent

**SUBJECT:** Staff & Student Apple  
iPad Refresh Purchase

**STRATEGIC PLAN/BOARD GOAL:**

Goal 2: Operational Improvement

**ABSTRACT:**

Board approval is required for services that exceed \$50,000.

**ISSUE:**

At issue is for the Board to approve the purchase of student and staff iPads and cases from Apple and Intellitech, respectively, for a total amount not to exceed \$524,965.00.

**BACKGROUND AND/OR PERTINENT INFORMATION:**

The original Staff and Student iPad fleet is scheduled for refreshing in 2025-2026. Technologies have changed and improved over the years and it is time to improve the classroom ecosystem as the current iPads will no longer be supported with operating system and security updates. Educational staff will get the refreshed iPad Air that has more room on the hard drive, capable of higher processing speeds, allows staff to run more applications at one time, and leverage Apple Intelligence tools which would save time weekly. Students will get refreshed iPads with updated capabilities.

These items have been budgeted using the Technology Capital Improvement funds.
