We had seven students audition for the Illinois Music Education District 5 festival. Andi Fortner (Band) and Boone Elledge (Choir) were selected to perform at ILMEA District Festival!

On November 23rd these students will attend an all day festival at EIU where they will work and perform and have the possibility of moving onto the All State competition.

The Fall Band & Choir Concert took place on Oct 8th @ 6pm.

All seniors attended Career Day at Lake Land College for the second consecutive year. According to the coordinator, Mrs. Patton- The annual Career Day at Lake Land College is an exciting day for seniors in Central Illinois. Around 20 schools are invited to attend this event. Lake Land offers a variety of sessions that students pre-select ahead of the visit. These sessions focus on different career focuses and opportunities that students will find while attending Lake Land. Many colleges set up tables at the college fair that is also held that day, so even if seniors are not planning on attending Lake Land, they still have an opportunity to talk to other schools and military branches. We pre-ordered Jimmy John's for lunch on this day (as opposed to eating in the crowded cafeteria), which expedited the lunch process and ensured that all students were able to have lunch.
