

## **March Board Report**

**3-6-19**

### **February Events:**

- 7th Grade Trip to Camp Forest Springs: After a couple of postponements the 7th grade was finally able to attend Camp Forest Springs. This day is scheduled each year to allow our students to experience a fun filled day outdoors. The main goal of this experience is to provide students an opportunity to try new winter activities. Camp staff is on hand to provide lessons and lead activities.
- Solo & Ensemble: On February 23rd Tomahawk hosted the WSMA Solo & Ensemble Festival. Results are listed below under student recognition. Congratulations to Corey Colburn on a job well done organizing and managing this event.
- Mini Business World: 7th grade students participated in Mini Business World on February 27th where students worked collaboratively to learn about the main principles of free market enterprise, entrepreneurship, financial literacy and business ethics.

### **Upcoming Events:**

- Washington DC Trip April 10th -15th
- Level 2 Forensics at Wild Rose March 7th

### **Staff Development:**

- CPM Math Training: Middle School math teachers continue their training in CPM Math through one day sessions designed specifically for each grade level. It's an opportunity to learn new strategies, design upcoming lessons, and collaborate/network with teachers from other schools.
- Jeff Wilhelm: Mr. Perrodin was able to line up a phenomenal opportunity for our 6-12 ELA department on February 19th. Jeff Wilhelm spend the majority of the day with our staff discussing instructional practice, differentiation, and methods to help motivate students.
- Tim Kight: On March 5th members of our Middle School Building Leadership Team had the opportunity to attend Tim Kight's Presentation on organizational leadership. This session focused on leadership, culture, and behavior in achieving results.
