

To Mr. Turner and the Members of the School Board,

Please accept this letter as my official resignation as Jr. High Science Teacher and High School and Jr. High Assistant Coach. After much consideration, I feel that this is the best decision for my wife and I, however I intend to finish up the remainder of my contract.

This has been a very tough decision to make as I have enjoyed my time here and have really enjoyed working with our great students and student athletes. I feel however that it is in the best interest of myself and my wife that we part ways with Quanah ISD to pursue employment with Wichita Falls ISD.

I am thankful for the opportunity that QISD has provided my wife and I with and it has been a great experience for me. I will miss the students and faculty that I have worked with, but feel that I am being pulled in another direction.

Thank You,

Matt Billings
