

# Local Policy Update 120

**CKC (Local)** – Added that the district’s Emergency Operation Plan shall include a response to a train derailment if applicable (a building within 1000 feet of a railroad).

**FNG (Local)** – Adjusts wording to further clarify the complaint process for Section 504 and IDEA issues.

Complaints regarding instructional resources should follow the guidelines outlined in the EF policy series.

The update also refers complaints regarding free and reduced-price meal disputes to follow the process outlined in policy COB.

**FO (Local)** – Policy FO changes include rearranged wording to better clarify acceptable uses of physical restraint in relation to students receiving special education services.
