

MONTH OF THE MILITARY CHILD

Wylie Independent School District Recognizes Month of the Military Child

This April, Wylie Independent School District joins the Military Child Education Coalition (MCEC) celebrating Month of the Military Child. Nearly 2 million children in military families face unique challenges, including frequent moves and family separations. These remarkable young people demonstrate incredible strength and courage while adapting to new schools, making new friends, and supporting their families' service to our nation.

Wylie ISD is proud to serve over 1,100 military-connected students and reflects the values of dedication and resilience in the education system. Military kids are essential members of our community who deserve recognition for their strength and sacrifices.

Miller Loudermilk
