## Survey Pre-Work

### 2025–26 Certification of Provision of Instructional Materials

In accordance with [Texas Education Code 31.1011](#), local educational agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, LEAs are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) Section [28.0022](#); (iii) Section [43.22](#), Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The TEKS Certification 2025–26 Survey includes a section to allow LEAs to certify they meet this requirement.

Like last year's process, the agency will utilize the following tools:

#### **Certification 2025–26 Form:**

Printable, hard copy of the survey to be completed offline and presented to the board of trustees or governing body for ratification and signatures.

#### **Certification 2025–26 Survey:**

Web-based application where LEAs will submit their responses collected on the TEKS Certification 2025–26 Form, and where LEAs will upload the signature page of the Form.

This year's Certification Process requires:

- The completion of the Certification 2025–26 Form;
- Ratification by the LEA's board of trustees or governing body in an open, public-noticed meeting; and
- Submission of the Certification 2025–26 Survey and upload of the ratified Certification 2025–26 Form.

TEA recommends that LEAs complete these steps by **May 1, 2025**. The Certification 2025–26 Form can be accessed at the following link on the [Certification of Provision of Instructional Materials webpage](#).

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 28, 2025, and is scheduled to reopen on May 15, 2025. **Completion of the Certification Process is required to regain access to allotment funds when EMAT reopens in May of 2025.**

Certification 2025–26 Survey submissions received after May 15, 2025, will typically be processed within five business days, then access to EMAT provided.

## Instructions to Complete the Certification Process for 2025–26

1. **Review the Certification 2025–26 Form:** Print the fillable TEKS Certification 2025–26 Form found on the [Certification of Provision of Instructional Materials webpage](#).
2. **Gather information:** The form may require consultation with content area leads or other LEA staff.
3. **Complete Certification 2025–26 Form:** Complete the TEKS Certification 2025–26 Form by hand or digitally.
4. **Obtain needed signatures:** Ratify the **Certification 2025–26 Form** by the LEA's board of trustees or governing body in an upcoming, open board meeting.
5. **Submit Certification 2025–26 Survey:** Complete the online Certification 2025–26 Survey by answering the questions. Inside the survey you will upload the signed Allotment and Certification 2025–26 Form from Step 4. The survey will be open for submissions beginning Monday, March 17, 2025, and will be located on the [Certification of Provision of Instructional Materials webpage](#).

## Additional Supports

- TEA will be hosting a webinar to review the Certification 2025–26 Process on *Monday, March 24th, at 2:00 p.m. CDT*. [Registration](#) is required.
- TEA will host office hours to support LEAs with the Certification of Provision of Instructional Materials process; registration is required.
  - Monday, March 31st at 11:00 a.m. CDT | [Register on Zoom](#)
  - Thursday, April 3rd, at 11:00 a.m. CDT. | [Register on Zoom](#)
- To facilitate completion of this year's submission, LEAs may request a copy of their previous year's submission by submitting a [Help Desk Ticket](#).
- For questions about the Certification 2025–26 Form, Survey, or Process, please submit a [Help Desk Ticket](#).

## Review Terminology

### *Additional Supports*

- **Scope and Sequence:** A document that provides a brief outline of the standards and a recommended teaching order for a particular course/grade-level over the course of a school year.
- **Full-subject materials** (often referred to as Tier 1 or core materials): instructional material designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.
- **Supplemental materials** (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional material designed to assist in the instruction of one or more of the essential knowledge and skills
- **SBOE-Approved Instructional Materials:** SBOE-approved instructional materials are any materials that go through the IMRA process and receive approval by the SBOE. In Texas, SBOE-approved instructional materials are considered HQIM and qualify for the SBOE-Approved Instructional Materials Entitlement as outlined in Section 48.307.
- **State-Adopted Instructional Materials:** state-adopted instructional materials were reviewed and adopted in the preceding Proclamation process. These materials have not been reviewed in the IMRA process, are not considered HQIM (per the Texas definition), and are not eligible for additional HB 1605 funding entitlements.

### **About the Qualtrics Survey**

Within the Qualtrics survey you will be given a list of commonly known publishers and products. Should your LEA use a LEA-developed product, or the product is not listed, you will be asked to write in the name of the publisher and product.

You can find a list instructional materials on the [Certification of Provision of Instructional Materials webpage](#).

## Certification 2025–26 Survey Ratification [Printed and uploaded PDF]

In accordance with [Texas Education Code §31.1011](#), school districts and open-enrollment charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS) for the coming school year. Additionally, in accordance with Texas Administrative Code [19 TAC §66.105](#), school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C).

These certifications must be ratified by local school boards of trustees or governing bodies in public, noticed meetings. Districts and open-enrollment charter schools will be unable to order instructional materials through EMAT until the certifications have been received by the Texas Education Agency (TEA).
