**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

We are requesting out of state travel for Deborah Murphy, the after school program coordinator for the 21st Century Grant at Illinois Valley High School to attend the Bridge from School to After School Conference in Vancouver, Washington on October 20 and 21, 2008.

**Provide history/background information on your proposal.**

We have sent representatives to this conference every year since our 21st Century grants began. The sessions are very valuable to participants and provide new and innovative ideas that help support and sustain our program.

**List the advantages of your proposal:**

ODE provides scholarships for participants so we only need to cover the hotel, food and transportation costs. These costs are all covered by the 21st Century Grant. ODE encourages all after school grant recipients to attend this conference each year.

**List possible disadvantages of your proposal:**

None

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**
