

**BOARD OF TRUSTEES  
JARRELL INDEPENDENT SCHOOL DISTRICT  
JARRELL, TEXAS**

**Date:** May 21, 2025

**Reported by:** Bob Mabry

**Subject:** Review and potential approval of the acquisition of technology devices presented by Bob Mabry

**Discussion/Action**

**Background Information:**

There are over 4,000 devices in circulation in Jarrell ISD. Jarrell High School has a one-to-one device policy, and the other campus has Chromebook carts for student use. Secondary campuses also have computer labs for technology courses. In addition, teachers and other staff members are issued devices that best meet their job requirements. Most devices have a life expectancy of four to five years

**Item Addressed:**

The recommended purchase of additional devices and other hardware will replace devices that are no longer in working condition, update the technology in selected computer labs, and provide devices for student and staff growth.

The recommended purchase includes:
