**Subject:**

Consider approval of submission for a TEA Low Attendance Waiver for Clear Brook High School on November 21, 2025 due to water main break, and Clear Creek High School on December 5, 2025 due to safety concerns after a bomb threat.

**Background:**

Due to safety-related incidents beyond the District's control, the District experienced attendance levels below the statutory requirement on the following dates. Clear Brook HS: November 21, 2025 as a result of a water main break that created unsafe campus conditions; and Clear Creek HS: December 5, 2025 due to a reported bomb threat requiring implementation of established safety protocols. Despite prompt response, communication, and reasonable mitigation efforts, attendance was adversely impacted. Administration recommends approval of a low attendance waiver request to the Texas Education Agency to prevent adverse funding or accountability impacts related to these incidents.
