## News from Mr. Regal

Volume 1, Issue 5  
January 4, 2017

Welcome back Evergreen Students, Staff, and Parents,  
Hopefully everyone had a Wonderful Winter Holiday enjoying some quality time with your family and friends.

As the New Year kicks off, I just want to remind parents that good attendance is a key component to academic success. All grade levels will continue to focus on individual student growth in reading, math, and writing. ***In order to make sure our students are ready to learn; please support learning at Evergreen Elementary by continuing to have your child/children eat well, maintain regular attendance, and get adequate sleep during the week.*** Parents please continue to support your child by communicating with your teacher on a regular basis about their behavior and academic growth.

*This is just a reminder to all parents, guardians, and/or visitors of Evergreen students, that if you visit our campus, we need you to stop by the front office, sign in, and get a visitor's badge to be worn for the entirety of your visit. Thanks for your support in this matter.*

Let's have a great year in 2017!!!!!!

### Regal's **RED HOT** Topics

- ⇒ **IMMUNIZATIONS:** **February 15th** is the day children will be excluded from school if they aren't up to date on their immunizations.
- ⇒ **PTO:** Evergreen Parent Teacher Organization needs volunteers. If you are interested inquire at the office. We need help in planning, organizing, and implementing our yearly PTO activities and need all the help we can get to make each event **AMAZING!!!!**
- ⇒ **VISITORS:** **ALL VISITORS MUST** check in at the office and get a badge before moving about the campus.
- ⇒ **VOLUNTEERS:** If you are planning on volunteering at Evergreen or chaperoning a field trip **WE MUST HAVE SIGNED VOLUNTEER PAPERWORK ON FILE!**
- ⇒ **SITE COUNCIL:** We are also in need of a few parents to help round out our committee.

## PTO Annual Penny Drive

The PTO Annual Penny Drive will run the month of February. Dates, goals and other important information will be put out soon. In the mean time start filling those penny banks and be prepared to send them with your student in February.

**Ms. Gragg's class made some festive art pieces before the Winter break.**

*You're invited!*

Are you looking for MORE parenting tools, FREE dinner, FREE childcare, FREE prizes? Evergreen Elementary will be hosting Learning Fun Nights from 5pm-7pm beginning in February.

Join us on the following nights:

February 7th, 14th, 21st, 28th

March 7th, 14th, 21st

Sponsored by The Family Connection, Oregon Parenting Education Collaborative and Evergreen

**Fridays are always an hour late start.  
Kids can't be on campus until 8:15 am  
on Fridays.**

### Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at **541-862-3111 x 5202**.

## Evergreen Science Fair

Do you like to explore or create? Become a scientist and participate in our 2017 Science Fair. 2017 Science Fair is a happening, cool project to participate in as a family, with friends or by yourself. The first step is deciding what you want to study. You then have to create a project. As you explore through your project, write down what you notice. Once your project is complete you will have to write up what you learned, and create a poster. If this sounds like something you would like to do, ask your teacher for a Science Fair permission form and a manual. All projects are due on February 13th and 14th. The Science Fair judging will be in on February 15th. If you qualify, or get approved, you will then participate in the District Science Fair, March 9th. This is a great opportunity to explore questions that you have always been wondering about, or to explore something new. We can't wait to see what you will create.
