#### 4. OTHER

- a. T.V. transition update - Teachers will be equipped with an iPad Air, Apple TV and monitors. We should have 4 of these installed and working by next week. We will be moving a projector to the testing lab and chromebase lab.
- b. New logo/mascot naming at Fleming & Ft. Vannoy - We can't be Rogue "Indians" any more.
  - i. process - Kirk and Sid are working on this together, since Fort Vannoy Indians have to change their mascot as well. They are thinking of going with a medieval theme and using the same logo for both schools. They suggested that Fleming be the Cavaliers and Fort Vannoy be the Squires. They have applied to Adidas for a grant to help with the cost of this change. The deadline to change the mascot is June 30, 2017. Sid would like to submit our suggestions to the School Board by their April meeting. We will be taking pictures of all things that need to be changed. We will have a series of meetings with Site Councils from both Fleming and Fort Vannoy. There will be a letter sent to all parents, staff and students for input and possibly a Google Form on the websites for each school. Our meetings for this will be on January 28th, February 18th and March 2nd. All meetings will be at 3:00 PM at Fleming. We are looking at a guestimated cost of \$25,000.00.
- c. Safety Concerns - We are looking into getting gates at all 4 driveway openings. If we go with the automatic open and close gates the cost will be approximately \$13,000.00 each. We are not moving on this project at this time.
