

FIS School Board Report February 9th, 2025

6th Grade Powder Ridge Field Trip

Last week our 6th grade students went to Powder Ridge on the annual skiing trip. I would like to thank all of our 6th grade team and chaperones for helping support our students make these great memories. Whether students were experienced skiers or brand new, our students have a great learning experience.

STAR Testing

We just finished our second round of STAR testing for math, reading, and social/emotional skills. Our grade level teams and building MTSS team use this data to continue to support students and monitor growth in all of these areas. Our goal is to continue to see growth in all of these areas for our students.

Regional Spelling Bee

The regional spelling bee will be taking place on February 12th. Foley Intermediate School will have two spellers participating in this event. We are thrilled to be able to have multiple students representing FIS. Good luck to both spellers!

Winter Exploration Day

Our Winter Exploration Day is coming up on February 20th. Students have the option to pick between 4 different exploration sites. Students have an opportunity to engage with our community in a different capacity to have experience they otherwise would not have. I would like to thank our front office staff, teachers, and EAs for being willing to support our students in these experiences.
