

SCHOOL BOARD MEETING REPORT

Board Meeting Date: _____ Superintendent: Dave Valenzuela

Administrator/Staff: Kaya Miranda

Type of Item: ☐ Informational ☒ Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I would like to apply for the Ray Grimm Memorial Award. The Oregon Potters Association is privileged to celebrate the life and work of Ray Grimm by offering an \$800.00 award to a clay arts educator to use in their classroom to enhance the program for attending students.

Provide history/background information on your proposal:

With this award, the Oregon Potters Association hopes to support ceramic educators to provide expanded instructional resources. These funds will be awarded to a ceramics educator who is teaching in private or public institutions, art centers or adult education.

List the advantages of your proposal:

If this award is granted it will allow the students of Illinois Valley High School to be immersed in the art of ceramics. Students will create hand-built and wheel thrown bowls, experience glaze techniques, and more with this funding.

List possible disadvantages of your proposal:

If this funding is not recieved, students are less likely to experience the medium of ceramics due to its high cost.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

I could apply for other grants if necessary.
