Re: Attire Amendment for JTHS Handbook School Year 2020-2021

This proposal would change the language under the "Attire" section on page 25 from:

- ~~"Students may not wear sunglasses or any item that may obstruct recognition such as hats, caps, hoods (hoodie) etc"~~

To:

- Students may not wear sunglasses
- Students may not wear any head covering inside the premises, with the exception of approved religious or medically prescribed head coverings.
