

Executive Summary  
Finance Committee Meeting

DATE: February 15, 2018  
TOPIC: 2018 – 2019 Student Fees  
PREPARED BY: Bob Ciserella

---

**Recommended Action:**

Action:  \_\_\_\_\_

Discussion: \_\_\_\_\_

Information: \_\_\_\_\_

**Purpose:**

Annually, the Board of Education approves the student school fees for the upcoming school year. The Administration is recommending that student fees be maintained at their current level for the 2018 – 2019 school year, those figures are represented in the attached chart.

**Fiscal Impact:**

Annually, the Administration has budgeted approximately \$200,000 for student fees for a variety of purchases including books, materials and technology purchases. Also included in this amount are fees associated with various student activities.

**Recommendation:**

The Administration is requesting the support of the Finance Committee that student fees be maintained at their current level for the 2018 – 2019 school year.
