HAPPENINGS AT UHS

UHS is Taking College Visits

We value exposure and experience opportunities for our students so they can plan for their futures. On Oct. 22nd 9-10 grade students will travel to UW-River Falls and Northwood Tech College in New Richmond. Our 11-12 grade students will travel to Bethel University and a big college fair at the Minneapolis Convention Center.

Athletics - WIAA Tournament Series

Coming quickly is the most exciting time for high school sports...the tournament series to earn the way to state! Girls Volleyball is rolling, boys cross country and Ava M. are setting the pace in the area, girls tennis and boys soccer continue to improve, and football is battling hard each week. Our Eagles will soar and make us proud.

Student of the Week

Berkley Tourville is a freshman at Unity High School and has started off the school year on a strong note. He has been working hard helping the Farm 2 School program harvest sweet corn and is always willing to lend a helping hand. He does so with a smile on his face and his positivity is contagious! His strong work ethic is sure to help him have a fantastic freshman year! He also joined the FFA and is excited to get involved with volunteer work and leadership training. Keep up the good work, Berkley!

New Staff

Elli Garvey joins our fantastic Special Education team at UHS. Bringing great spirit and experience, Elli is already making a positive impact.

What have UHS students been up to?

Serving our community, and having some fun competitions!
