

Board of Education
Van Alstyne Independent School District
Van Alstyne, Texas

Date: March 21, 2011

Subject: CONSIDER AND APPROVE EIA(LOCAL)

Background Information

This policy has been lingering and there was debate about the “numerical value” conversion of transfer students. After reviewing the policy again, and speaking to our high school registrar we are in agreement there is a need to have a conversion table for students transferring into the district to be equitable to our grading system.

Administrator Recommendation

Approve revised policy EIA(LOCAL) regarding academic achievement.

Board Action Requested

Move to approve policy EIA(LOCAL).
