RE: Landscaping Bids

DATE: April 10, 2018

On Monday, April 2, 2018, the landscaping bids were publicly opened.

The FAC meeting was held on Tuesday, April 3, 2018. During the meeting there was public comment about the use of chemicals on school grounds. Also, during that meeting, the Park District presented information about the work they have done to improve the green areas throughout Oak Park. They also discussed the Park District IPM and provided the District with suggestions for improvement.

As a result of the comments and the needs of the District, it was recommended by FAC that all the bids be rejected.

The administration will issue new bid specifications within the next few weeks.

The administration agrees with FAC's recommendation.
