

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 9/19/2018 **Superintendent:** Dave Valenzuela

Administrator/Staff: Chris Pendleton

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Hidden Valley High School Business Teacher is asking the board to approve a travel request to attend the MBA Leadership Forum in Kansas City, Oct. 4 thru Oct. 8. The goal is to continue to develop the CTE program here in the state of Oregon and at Hidden Valley High School.

Provide history/background information on your proposal:

The MBA Leadership Forum is the successor to a very successful pilot "implementation forum". This event is intended to:

Support local/state initiatives to develop a strong in-state leadership network that will foster the growth and development of business administration education in entrepreneurship, finance, management/administration, and marketing.

Nurture a better understanding of, and encourage the integration of, national business-validated standards research by MBA Research into local and state curricula

Encourage active engagement of the business community to encourage advocacy and partnering initiatives leading to the next generation of business leaders.

Further greater understanding of, and encourage local implementation of various initiatives, tools, and services of the MBA Research Consortium of states.

Encourage local/state networking, professional development, and leadership activities to support the growth and development of secondary business administration education, including enhanced secondary/college partnerships.

List the advantages of your proposal:

Zero General Fund dollars are spent for this professional development opportunity. Working sessions to share issues, ideas, rationale, and strategies for:

Building exemplary CTE business and marketing education programs appropriate to the contemporary education environment through curricula, pedagogy, and proof of learning.

Aligning the work of the Consortium to meet the needs of both local and state Career-Tech business and marketing educators through review and analysis of the tools, services, and initiatives of the organization.

Planning in support of local/state leadership to generate advocacy and partnerships among various constituencies, including the business community, colleges, and administrators

Development of state action plans responsive to the outcomes and common agreements of the Forum.

List possible disadvantages of your proposal:

I will be out of the classroom 2 days, sub costs are included in the grant that covers all costs.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

There are no alternatives.
