BOARD OF EDUCATION WYLIE INDEPENDENT SCHOOL DISTRICT ABILENE, TEXAS

AGENDA ITEM: D-6 **DATE:** 6-8-2020

SUBJECT: Consider Resolution Designating Truth in Taxation Officer

******* ACTION ******

BACKGROUND INFORMATION:

The $86^{\rm th}$ Texas Legislature modified the manner in which voter approval tax rate is calculated to limit the rate of growth of property taxes in the state and expanded the requirements for communicating Truth-in-Taxation (TNT) to the public.

ITEM ADDRESSED:

One of the new requirements for TNT is our governing body needs to select a designating officer or employee to calculate and publish tax information. The officer would comply with mandates established by the Texas Comptroller office, provide the tax rates for the web page and publish tax information on a public website. Gary Earnest, Chief Executive Office, Central Appraisal District of Taylor County is willing to serve as our designated officer for TNT.

ACTION RECOMMENDED:

Board approve resolution designating Gary Earnest as our Truth In Taxation Officer.
