“My twins are in Mrs. M’s kindergarten class, and I am blown away with how extremely patient, caring, and organized she is! I feel like I always know what they are learning, and she sends pictures and updates constantly! She is so inclusive and always gets parents involved, and I enjoy volunteering at the classroom parties, field trips, etc, because her presence and patience in her classroom and with the students really create such a warm, welcoming environment!! My kids are excited to go to school every day and are thriving socially and academically, and I know Mrs. M is a huge part of this! She is one of a kind, and we are so thankful for her!”
